

Extra Credit 3 (10 points)

Watch the video Becoming Human part III (<http://www.pbs.org/wgbh/nova/beta/evolution/becoming-human-part-3.html>). Based on this video, your reading, and class notes:

Who were the earliest hominins to settle in Europe? Where did they live? Describe the Sima de los Huesos (Pit of Bones) at Atapuerca. What is unique about this site and what does it tell us about Neandertal evolution? When did anatomically modern humans get to Europe and what was their relationship to Neandertals? What is one hypothesis about why Neandertals went extinct?
